Consideration is given to a broad representation of geographic areas within the U.S., as well as gender, race, ethnicity, persons with disabilities, and several factors including: (1) The committee's mission; (2) the geographic, ethnic, social, economic, or scientific impact of the advisory committee's recommendations; (3) the types of specific perspectives required, for example, those of consumers, technical experts, the public at-large,

academia, business, or other sectors; (4) the need to obtain divergent points of view on the issues before the advisory committee; and (5) the relevance of State, local, or tribal governments to the development of the advisory committee's recommendations. Nominees must be U.S. citizens.

The following information must be submitted for each candidate: Name, affiliation, address, telephone number, and current curriculum vitae. E-mail addresses are requested if available. Candidates invited to serve will be asked to submit the "Confidential Financial Disclosure Form (OGE Form 450) for Special Government Employees Serving on Federal Advisory Committees at the Centers for Disease Control and Prevention." This form allows CDC to determine whether there is a statutory conflict between that person's public

responsibilities as a Special Government Employee and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation.

The form may be viewed and downloaded at
